

Consent to Treat an Unaccompanied Minor

Instructions: It may be more convenient to have prior consent in place so that medical care may be delivered directly to minors if a parent or legal decision maker cannot be present prior to treatment. Review the following consent for treatment and complete the information for treatment for your minor child. This consent applies only to routine medical. Routine medical care includes, but not limited to:

- Medical evaluation
- Routine immunization
- X-rays
- Minor procedures
- Prescription drug management
- Physical exam
- Injections
- Lab work (example: throat/nasal swabs/blood draw)
- Minor burns

Be advised that protected patient health information may be shared with the designated decision maker to facilitate informed decision making.

Authorization
